## **Supreme Turf Products, Inc.**

**5 Cassens Court  
Fenton, MO 63026**

**(636) 349-8900      Fax (636) 349-8903**  
Water in after applying both.

FERTILIZER: Apply Granular Organic at the normal rate per 1,000 sq ft per Month beginning in May. Reduce the rate to 1/2 for July and August.

NOTE: When it says to apply in the dew; late evening or early morning, It doesn't matter. If it's cloudy, windy, or overcast there may not be a dew.

NOTE: Anderson 0-0-5 w/Merit was applied for grub control. On cutworm control use Anderson Insect III on a as needed basis. At the first sign of cutworms or birds picking apply Insect III at the normal rate and water in lightly.
