FALL APPLICATION OF HERITAGE

To take care of next year's Summer Patch/Take-All Patch.

This will be done under our Distributor Program Price \$365.00 per lb. Here's the program. When the temperatures are 70 degrees during the daytime:

1. Mow greens first
2. Then make application at .4 oz per 1,000 sq ft with 2 gal water minimum.
3. Don't water in that day.
4. Next day water in then mow if you need to. ¼ inch water on sand greens. Push up greens may need a little more water.

Twenty-eight (28) days later apply again – same program. It is OK to use wetting agent if customer wants to.

Spring – Make third application early in April – same program.
